## Comfort and protection for lightweight applications

PRIMARY INDUSTRIES

IDEAL APPLICATIONS

- Assembling, inspecting and packing small components
- Light assembly tasks

## DESCRIPTION

- Ansell's SensiLite® range of industrial gloves are designed for light applications that require good levels of comfort and abrasion resistance.
- Offering precise handling of small objects in dry or light oily environments, SensiLite® is the practical choice when you are looking for dexterity.
- SensiLite® provides enhanced safety, dexterity and durability compared to other glove options often used in the same applications.
