The *Omega Supreme Electronic Vac* features an electronic line filter that suppresses EMI/RFI noise. Its quiet flow-through motor and sound baffles make it the quietest electronic vacuum on the market today.

Omega Supreme Electronic Vac is made from a high-impact Diamond ABS Polymer for durability and long life. It comes complete with all accessories listed above, which are statically conductive for maximum static protection, and a shoulder strap. It also features over-heat protection and field replaceable latches.
