BEVCO®

5000 Series from Bevco

The 5000 Series is BEVCO'S best in ergonomic industrial seating for the toughest workplace environment. Made in America, these durable "intensive use" chairs offer ergonomic features that improve productivity while reducing worker injury and fatigue.

Each model features heavy-duty construction, comfortable seat with waterfall edge, resilient high density foam, easy-to-use pneumatic seat height adjustment, 360 degree swivel, a fully adjustable back and sturdy five legged base with mushroom glides. Casters are optional. Models 5001, 5201, 5301, 5501, and 5601 also come standard with an articulating seat and back tilt control for maximum ergonomic benefit.

Model 5601
w/optional armrests

Models 5000, 5300, 5301, 5001, 5500, and 5501 feature a five star reinforced plastic base. The 5500 and 5501 come standard with a 10" pneumatic cylinder and 18" diameter adjustable chrome footring. Models 5200, 5201, 5600 and 5601 feature a black painted, tubular steel base with sturdy 19" diameter welded chrome footring.

BEVCO's reputation for outstanding value in ergonomic seating is backed by 50 years of manufacturing. All products carry BEVCO's superior "intensive use" guarantee. It's not prorated, applies to a 24 hour day, and covers defects in material and workmanship for a full 12 years! **

* ANSI: American National Standards Institute, Inc. BIFMA: Business and Institutional Furniture Manufacturers Association. ANSI/BIFMA standards include safety, durability and structural adequacy evaluations.

** Pneumatic cylinders have a lifetime guarantee in the chair originally installed.

Model	Height Adjustment	Height Adj. W/Casters	Vertical Back Adj.	Horizontal Back Adj.	Tilt		Footring	Base Type	Weight (lbs.)
