

Item # _____

Job _____

SUPER ERECTA SHELF® STATIONARY SECURITY UNITS

- **Safe Storage:** Protects valuable materials and sensitive items from loss or pilferage.
- **Ready View of Contents:** Heavy-gauge open wire construction keeps the entire contents of the unit visible at all times, making it easy to check inventory.
- **Double door:** Each door opens approximately 250° and can be secured along the sides of the unit. Latch bar on the door runs entire height of the enclosure. When door is closed, latch bar slides down, hooking over shelf edge at top and bottom of unit and aligning holes for a padlock at the mid-point.
- **Optional Intermediate Shelves:** Can be positioned in 1" (25mm) increments along entire height of post. Can be repositioned after assembly as needed.
- **Attractive Chrome or Metroseal II Finish:** Choose from attractive chrome for dry storage, or Metroseal II to resist rust and corrosion in high moisture environments.
- **Shipped Knocked-Down:** Saves on freight costs. Easily assembled.
