Patent Pending

Green-Lite™

Equipped with next generation, surface mount LEDs, these innovative designs create the new standard for illuminated magnifiers.

Made in the U.S.A.

**7" x 5.25"
Rectangular
LED Magnilite®**

82400-4-B
(Shown in Carbon Black)

**7" x 5.25"
Rectangular
LED Magnilite®**

82400-4
(Shown in optional Blaze Red finish)

Lighting Features

- 4x the lumen output of a standard magnifier
- Reduced glare, heat and energy consumption
- Multi-angle LEDs for shadowless lighting at a full range of focal lengths and heights
- User controlled LED groups shine desired level of light exactly where required
- Superb dimming software via convenient, reliable membrane switch
- Built in energy management system & lighting timer

Optical Features

- Precision ground, crown white optical grade glass
 - Largest lenses in the industry
 - Standard 4 Diopter (2x) lens – **O.C. White exclusive!**
 - Optional 5 Diopter (2.25x) lens on round models
 - Three lens sizes to choose from
 - 7" x 5.25" rectangle
 - 7.5" round
 - New 6" round with a 44% larger viewing area than competitors 5" round magnifiers
- O.C. White exclusive at no extra charge!**

Standard Finishes:

Shadow White Carbon Black

Optional Finishes:

Blazing Yellow Brilliant Orange Spectre Blue Blaze Red Racing Green Silver Charcoal Mist Medical White

LED Magnifiers

Your investment in new technology quickly pays for itself through energy savings. **Proudly Made in the USA.**

7.5" Round LED Big Eye™ Magnilite®

62400-4
(Shown in optional Brilliant Orange finish)

62400-4-B
(Shown in Carbon Black)

6" Round LED Magnilite®

42400-4
(Shown in Shadow White)

42400-4
(Shown in optional Spectre Blue finish)

Electrical Features

- Low voltage (15v) power supplies are auto-switchable with worldwide approvals
- IEC plug design allows for simple plug-and-play cord change anywhere in the world
- Auto shut off at 4 hour, 5 minute intervals to prevent energy waste while users are away (user activated after delivery)
- All models shown are ESD safe

Mechanical Features

- High quality die cast aluminum shades and all steel arm components for ESD safety
- Patented "Elite" arms are slim but have the greatest holding power of any arm of this type in the world
- Standard 43" arm reach

Warranty

- 5 years/ 50,000 hour pro-rated LED warranty
- 10 year mechanical warranty...**Best in the Business**
