

Shear Profile

9100 Oval Head Micro-Shear® Flush Cutter

The most durable Micro-Shear® flush cutter we've ever made. Tough alloyed steel, state of the art heat treating and ultra precise CNC grinding combine to create the ultimate shear. The advanced ergonomic design, coupled with our exclusive Xuro-Rubber™ grips, Light Touch™ return spring and glare eliminating black finish, provide operator comfort, even in high volume and large capacity applications. Flush cuts soft wire up to 14 AWG (1.6mm).
