

## Dadas™ 975 Series Heavy Duty Aisle Tape

A yellow and black tape with printed ESD symbols used to identify static sensitive and protected work areas. This tape has the wording "ESD Protected Area" and the Reaching Hand and ESD triangle printed in black. This heavy duty tape has 100% smear resistant graphics.

The 975 Series Tapes are ideal for less than perfect floors, is easy to install, and has no dry time, cure time, fumes, or messy clean up to limit productivity.

### Specifications

### Typical Values

|                                  |                             |
