Interchangable Lenses | **64 SMD LEDs** | **Brightness Controls** | **Spring Balanced Arm**

Choose Your Magnificaiton | **20,000 Hour Lifespan** | **Touch Sensitive Buttons** | **No Pinch Hazards**

In-X

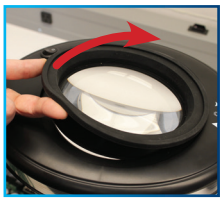
Interchangeable Magnification

Patent Pending

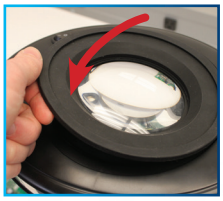
The Next Level

X
- change lenses
- pand magnification
- tended flexibility

Easy Lens Replacement, No Tools Required



Remove Lens



Insert New Lens

Interchangable Lens
5 diopter, 2.25x magnification

Covered Spring Balanced Arm
no pinching hazards or exposed springs

Tension Control Knob
adjusts 360° rotatable head

Brightness Control
touch sensitive buttons

Decorative Stainless Steel Ring

Xplore the Possibilities

Crystal clear lenses provide up to 4.75x magnification

5 Diopter (2.25x) (included)

8 Diopter (3x) (sold separately)

12 Diopter (4x) (sold separately)

15 Diopter (4.75x) (sold separately)

IN-X MAGNIFYING LAMP

Item #	26501-LED-INX
Illumination	64 adjustable SMD LEDs
Arm Reach	Max 36in
Lumens	Max 950lm
LED Color Temperature	6500K
Power Consumption	1-10W
Included Lens	26501-INX-RL5D, 5 diopter lens (2.25x magnification)
Power Supply	Input: 100-240V ~ 50/60Hz -0.45A Output: 26.0V / 500mA
Package Contents	In-X Magnifying Lamp, heavy duty table clamp w/2in opening, power supply, 5 diopter lens (additional lenses sold separately)

ITEM #	PRODUCT NAME
26501-LED-INX	In-X Magnifying Lamp 5 Diopter
26501-INX-RL8D	In-X 8 Diopter Lens (3x magnification)
26501-INX-RL5D	In-X 5 Diopter Lens (2.25x magnification)
26501-INX-RL12D	In-X 12 Diopter Lens (4x magnification)
26501-INX-RL15D	In-X 15 Diopter Lens (4.75x magnification)
