BUREAU OF LAND MANAGEMENT

16. OTHER INFORMATION

National Fire Protection Association (NFPA) Hazard Classification			
Health: 0	Flammability: 1	Reactivity: 0	Special Hazards: None

The information in this Article Information Sheet is believed to be correct as of the date issued. Intertape Polymer Group (IPG) makes no warranties, expressed or implied, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose or course of performance or usage of trade. The user is responsible for determining whether the IPG product is fit for a particular purpose and suitable for user's method of use or application. Given the variety of factors that can affect the use and application of an IPG product, some of which are uniquely within the user's knowledge and control, it is essential that the user evaluate the IPG product to determine whether it is fit for a particular purpose and suitable for user's method of use or application.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is essential for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent and reliable data collection processes to support informed decision-making.

3. The third part of the document focuses on the role of technology in modern data management. It discusses how advanced software solutions can streamline data collection, storage, and analysis, thereby improving efficiency and accuracy.

4. The fourth part of the document addresses the challenges associated with data security and privacy. It stresses the importance of implementing robust security measures to protect sensitive information from unauthorized access and breaches.

5. The fifth part of the document explores the ethical implications of data collection and analysis. It discusses the need for transparency in data handling practices and the importance of obtaining informed consent from individuals whose data is being collected.

6. The sixth part of the document provides a detailed overview of the data analysis process. It describes various statistical and analytical techniques used to extract meaningful insights from large datasets.

7. The seventh part of the document discusses the importance of data visualization in communicating complex information. It highlights how visual representations such as charts and graphs can make data more accessible and understandable for stakeholders.

8. The eighth part of the document concludes by summarizing the key findings and recommendations. It emphasizes the need for a data-driven approach to organizational management and the importance of continuous monitoring and improvement of data management practices.

Materials to avoid:	None known
Hazardous polymerization:	This product, an article, does not release or otherwise result in any hazardous chemical exposure under recommended/normal use conditions.
Hazardous decomposition:	(see above)

11. TOXICOLOGICAL INFORMATION

This product, an article, does not release or otherwise result in any hazardous chemical exposure under recommended/normal use conditions.

12. ECOLOGICAL INFORMATION

This product, an article, is expected to present a low, if any, risk to the environment, as (i) its use and disposal are unlikely to result in any significant release of components to the environment, or (ii) because those released components are expected to have only an insignificant impact on the environment.

13. DISPOSAL INFORMATION

The waste of this product should be disposed in accordance with local, regional, national and/or international regulations.

14. TRANSPORT INFORMATION

Not applicable (this product is not regulated per U.S. DOT, IATA or IMO)

15. REGULATORY INFORMATION

Chemical inventories:	These products are articles as per the Toxic Substance Control Act (TSCA) regulations, and therefore exempt from TSCA Inventory listing requirements.
U.S. Federal regulations:	Contact Intertape Polymer Group
State regulations:	Contact Intertape Polymer Group
International regulations:	Contact Intertape Polymer Group

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. This is essential for ensuring the integrity of the financial statements and for providing a clear audit trail. The records should be kept up-to-date and should be accessible to all relevant parties.

2. The second part of the document outlines the procedures for the collection and distribution of funds. It is important to ensure that all funds are collected in a timely and accurate manner. The distribution of funds should be done in accordance with the approved budget and should be done in a fair and equitable manner. The procedures should be clearly defined and should be followed consistently.

3. The third part of the document discusses the importance of maintaining accurate records of all transactions. This is essential for ensuring the integrity of the financial statements and for providing a clear audit trail. The records should be kept up-to-date and should be accessible to all relevant parties.

4. The fourth part of the document outlines the procedures for the collection and distribution of funds. It is important to ensure that all funds are collected in a timely and accurate manner. The distribution of funds should be done in accordance with the approved budget and should be done in a fair and equitable manner. The procedures should be clearly defined and should be followed consistently.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Exposure limits:	This product is exempt from OSHA's Hazard Communication Standard (29 CFR 1910.1200). However, this product should not present a health or safety hazard under recommended or normal use of the product.
Engineering controls:	(see above)
Eye protection:	(see above)
Skin protection:	(see above) However, frequent skin contact should be avoided and gloves not normally needed, under recommended/normal use conditions.
Respiratory protection:	Not required under recommended/normal use conditions.

9. PHYSICAL AND CHEMICAL PROPERTIES

Auto ignition temperature:	Not applicable
Boiling point:	Not applicable
Color:	Varies by product (multiple colors)
Density:	Not applicable
Evaporation rate:	Not applicable
Flash point:	Not applicable
Melting point:	Not applicable
Physical form:	Solid
pH:	Not applicable
Solubility/water:	Nil
Solubility/non-water	Not applicable
Specific gravity:	Not applicable
Vapor density:	Not applicable
Vapor pressure:	Not applicable
Viscosity:	Not applicable
Volatile percent:	Not applicable

10. STABILITY AND REACTIVITY

Stability:	Stable
Conditions to avoid:	None known

1. The first part of the document discusses the importance of maintaining accurate records of all transactions.

2. It is essential to ensure that all entries are supported by proper documentation and receipts.

3. The second section covers the various methods used to collect and analyze financial data.

4. These methods include direct observation, interviews, and the use of statistical models.

5. The third part of the document focuses on the challenges faced by researchers in this field.

6. These challenges include limited access to data, the complexity of the subject matter, and the need for interdisciplinary collaboration.

7. The fourth section discusses the role of technology in modern financial research.

8. Advances in computing power and data storage have significantly enhanced the capabilities of researchers.

9. The fifth part of the document addresses the ethical considerations surrounding financial data collection.

10. It is crucial to ensure that all data collection and analysis processes are conducted in a transparent and ethical manner.

11. The sixth section covers the importance of data security and privacy protection.

12. Researchers must implement robust security measures to protect sensitive financial information from unauthorized access.

13. The seventh part of the document discusses the future of financial research.

14. Emerging technologies and methodologies are expected to further advance the field in the coming years.

15. The eighth section covers the importance of international collaboration in financial research.

16. Working with researchers from different countries can provide valuable insights and perspectives.

17. The ninth part of the document discusses the role of government and regulatory bodies.

18. These entities play a critical role in ensuring the integrity and reliability of financial data.

19. The tenth section covers the importance of public transparency and accountability.

20. Financial institutions and researchers must be held accountable for their actions and decisions.

21. The eleventh part of the document discusses the role of academia in financial research.

22. Academic institutions are essential for the advancement of knowledge and the training of future researchers.

23. The twelfth section covers the importance of interdisciplinary research.

24. Combining expertise from different fields can lead to more comprehensive and innovative solutions.

4. FIRST AID MEASURES

Eye contact:	No need for first aid measures is anticipated under recommended/normal use conditions
Skin contact:	No need for first aid measures is anticipated under recommended/normal use conditions
Inhalation:	No need for first aid measures is anticipated under recommended/normal use conditions
Ingestion:	No need for first aid measures is anticipated under recommended/normal use conditions

5. FIRE FIGHTING MEASURES

Flash point:	Not applicable
Flammable limits – LEL:	Not applicable
Flammable limits – UEL:	Not applicable
Auto ignition temperature:	Not applicable
Extinguishing media:	Water Spray, Dry Chemical, Foam
Special firefighting procedures:	Wear full protective equipment and a self-contained breathing apparatus
Unusual fire and explosion hazards:	Not applicable

6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment, and emergency Procedures:	Not applicable
Environmental precautions:	Not applicable
Cleanup methods and materials:	Not applicable

7. HANDLING AND STORAGE

Precautions for safe handling:	This product, an article, does not release or otherwise result in any hazardous chemical exposure under recommended/normal use conditions.
Conditions for safe storage: (including any incompatibilities)	No special storage requirements are necessary for this product.

F8333-26631

ARTICLE INFORMATION SHEET

The product listed below is an "article," and therefore is not subject to the Occupational Safety and Health Administration's (OSHA) Hazard Communication Standard, 29 CFR 1910.1200(b)(6)(v), and 1910.1200(c) which defines an "Article," as a manufactured item other than a fluid or particle: (i) which is formed to a specific shape or design during manufacture; (ii) which has end use function(s) dependent in whole or in part upon its shape or design during end use; and (iii) which under normal conditions of use does not release more than very small quantities, *e.g.*, minute or trace amounts of a hazardous chemical, and does not pose a physical hazard or health risk to employees. For this product, an article, a Safety Data Sheet (SDS) has not been prepared, as none is required under OSHA. However, this Article Information Sheet document was prepared as a courtesy for our customers.

1. PRODUCT AND COMPANY IDENTIFICATION

Product Name:	Synthetic Rubber Carton Sealing Tapes: 780, 1100, 5135, 6100, 6100 X-Tra, 6100LPT, 6122, 6151QT, 7100, 7100 X-Tra, 7150, 7151QT, 7190P, 7205, 8100, 9100, PP16H, PP18H
Company:	Intertape Polymer Group 100 Paramount Drive, Suite 300 Sarasota, Florida 34232
Product Use:	Carton and container sealing
Issue Date:	July 25, 2018
Emergency phone number:	(877) 447-4832

2. HAZARD IDENTIFICATION

This product is exempt from OSHA's Hazard Communication Standard (29 CFR 1910.1200). However, this product should not present a health or safety hazard under recommended or normal use of the product.

3. COMPOSITION/INFORMATION ON INGREDIENTS

Ingredient	C.A.S. Number	Weight (%) Percentage
Pressure Sensitive Tape	IPG Trade Secret*	100

*chemical identities and percentage formulations are withheld as IPG proprietary information
