Hog Heaven III Comfort Modular Tile

Hog Heaven III Comfort mats provide a customizable matting solution for virtually any configuration with modular tiles, linkable mats, and workstation mat options. They offer outstanding anti-fatigue qualities and perform in various environments including those with oil, grease, and chemicals.

- **Comfortable** - High-density, closed-cell nitrile rubber cushion provides excellent anti-fatigue qualities to reduce the pain and fatigue associated with standing for long periods of time
- **Safe** - Certified high-traction by the National Floor Safety Institute (NFSI); beveled edges provide a safe transition from floor to mat and will not crack or curl
- **Durable** - Nitrile-blended cushion provides years of useful life and is molded, not glued, to the nitrile rubber surface so it will not separate
- **Versatile** - Welding safe; grease/oil resistant*; chemical resistant; ESD rating of electrically conductive
- Mats and tiles are 3/4" thick and available with black or OSHA-approved yellow striped border

*The 100% nitrile rubber surface of Hog Heaven III Comfort is grease/oil proof while the nitrile-blended cushion is grease/oil resistant.

Hog Heaven III Comfort Linkable Mats

Hog Heaven III Comfort Modular Tiles

Specifications

Thickness Total .75"

 Nitrile Rubber Top Surface .120"
 Nitrile Rubber Cushion .63"

Passes flammability standard
DOC-FF-1-70

Coefficient of Friction of Top Surface:
Dry .93; Wet .88

Hog Heaven III™ Comfort Modular Tiles
