Klein Tools' Rechargeable 2-Color Flashlight and Headlamp both offer multiple light settings and modes fulfilling your everyday lighting needs. Both lights feature a bright, long-reaching white spotlight, a wide white floodlight, low-intensity red LEDs for non-blinding night vision, and a long-lasting red strobe. These smartly designed lights turn back on in the same mode you last turned them off, so fewer clicks to get to your favorite mode. Durable, dustproof, and water-resistant, make these lights must-haves for daily use on, and off, the jobsite.
