

## Product Data Sheet

Product Number: TNP100007EA

Model: Techni-Pro TNP-WRST-6F CO-EA Wrist Strap Set, Fabric Band, 6', 4mm, Maroon

Description:

This hypoallergenic ESD fabric wrist band set with a 6ft coil cord and 1 meg resistor has soft, red woven fabric and a 360 degree curved buckle of the wrist band. The fabric allows the skin to breathe and makes it very comfortable to wear. The band uses hypoallergenic silver-plated nylon thread for conductivity and has a maximum resistance of 160 ohms. The standard band is standard with a 4mm snap. The coil cord's 2.5mm polyurethane coil insulation offers excellent coil memory and a swivel type banana jack increases coil life and prevents cord tangles. Meets or exceeds requirements of ANSI ESD-S20.20 and ESDA Standard 1.1-2006.
