Part No.	TNP100076EA
----------	-------------

Product Information

Brass sponge effectively removes dirt and other contaminants to clean your soldering iron tip. Brass sponges clean better than conventional sponges and will not damage your iron tip. Made of low abrasive brass shavings and requires no water.

Wider selection | Higher quality | Stronger value

We've engineered a new private-label brand for world-class production supplies. You probably already know Techni-PRO products as Techni-Tool, Tec-Cut, Techni-Stat, Tec-Tuff, and other brands. Our goal was the same as it has always been: To give you more. More equipment. More supplies. More value.
