Product Data Sheet

Circuit Board Holder

TNP100194EA

Product Information

This soldering circuit board holder also known as the helping hands assist in ensuring proper solder joints are maintained. The adjustable arms and alligator clips provide the perfect height required to position the circuit board, so you can work with greater ease and agility.

Kit Includes

- 1 X Auxiliary clip
- 1 X Magnifying glass
- 1 X Soldering iron stand

Technical Details

Magnification	3X
Material	Metal Aluminum Alloy Frame and Cast Iron Base. Glass Lenses
Size	Approx 62mm / 2.44"

Packaging

Part No.	TNP100194EA
----------	-------------

Features

- Adjustable base and socket joints with wing nuts remaining in set position.
- This desktop magnifying glass is like the third hand, freeing your hand and allowing you to concentrate on the object you are observing and aid those with arthritis.
- Perfect welding work bracket, suitable for DIY handi-craft, circuit board repair, clock/computer repair, craft carving, jewelry cleaning, etc.
- It is a great gift idea for craft lovers, welders, jewelers, circuit board researchers, micro-project researchers, etc.
