

LUMENATOR® 360°

Rechargeable Work Light

Product No. MXN05500

Product No. MXN05501 includes Magnetic Base (MXN10198)

LUMENATOR® 360° Rechargeable Work Light, the light that redefines illumination. With its 360° and 180° brightness options, this powerhouse offers precise control with four intensity levels, ranging from an astonishing 5200lm to an energy-saving 400lm (16hr max run time!). Crafted with high-quality SMD LEDs and a high-impact polycarbonate lens, it delivers glare-free, shock-proof, and maintenance-free performance. Hang it effortlessly overhead using the stainless metal hook or carry it with ease thanks to the sturdy metal handle. Enhance its versatility with the optional magnetic base for convenient placement on metal surfaces.

- 360° brightness levels: 5200lm / 2000lm / 1000lm / 400lm
- 180° brightness levels: 2000lm / 1000lm / 400lm
- 16 hr Max Run Time.
- High quality SMD LEDs
- Glare-free for extensive illumination
- High impact Polycarbonate Lens
- Shock-proof and maintenance-free
- Stainless metal hook for overhead lighting
- Easily portable with carrying metal handle
- Charging time: 3.5 hours
- Available Accessories: Magnetic Base (MXN10198), Single Head Tripod (MXN10150), Triple Head Tripod (MXN10153)

Product Dimensions: 11.5 x 6.3 x 5.8 in.

Weight: 5lbs; 6lbs with Magnet
