

Smooth Face Steel Hammer, 22-Ounce

The Klein Tools 22-Ounce Smooth Face Steel Hammer combines power, precision, and durability to tackle demanding jobs with ease. Featuring an extra-large squared strike face for accurate nail driving and dual side nail pullers for effortless removal, it's built for maximum performance. The milled strike face provides extra grip during tough nailing conditions, while the steel core handle ensures durability for the hardest-hitting tasks.
