

Specification Sheet

Part Number: TELS-1

Continuous strap and separate heads allow for any bundle diameter, eliminating waste.

Smooth strap prevents cable damage.

UV resistant materials contain an inhibitor which prolongs the life of the tie in outdoor environments.

Extended-Length Tie, POM, Black, 50' Strap Reel with 30 Heads/pkg

| Quantity Per        | pack                                                                                                                                                                                                                                                                                                                                                                                                                               |
| Product Description | Extended Length Ties provide a high tensile strength strapping system consisting of a continuous strap and separate locking head making it suitable for any bundle diameter, eliminating waste. The smooth strap and specially designed heads with stainless steel pawls provide a strong grip on cables and wires without damage during vibration or in extreme environments. Spacers are available for dual bundle applications. |
| Short Description   | Extended-Length Tie, POM, Black, 50' Strap Reel with 30 Heads/pkg                                                                                                                                                                                                                                                                                                                                                                  |
