

Smart Mobile Station P5 Pre-Configured Model with Battery ES

Smart Mobile Stations (SMS Carts) are the perfect partner for tasks needing to be done on the go. All SMS Carts feature a base with hard rubber wheels and locking brakes. The 5 Pre-Configured Model has a 60-inch upright with 10 electrical outlets, an 8ft power cord and cable management. There is also an ESD main worksurface with ergonomically positioned guide handles and a pull out keyboard tray. This model also features a CPU Holder and Front Mounted Flat Panel Display Mount. This cart features a rechargeable battery that powers the upright.
