

Tabla Go™

A4 PORTABLE LIGHTPAD

U35121

Fact Sheet

A cordless, USB-C rechargeable lightpad designed for tracing, papercraft, quilting, and vinyl weeding. Ultra lightweight and ultra slim, the Tabla Go™ is fully portable in A4 size, with a strong aluminium casing and tough non-scratch tracing surface (A6 hardness) for maximum durability. Premium daylight 6,000K LEDs for true-color accuracy combined with edge-to-edge illumination and contrast.

3-step illumination levels to match your paper weight and fabric thickness, and ruled edge measurement scale in cm and inches for visual accuracy.

5,500 Lux
