Prepared to OSHA, ACC, ANSI, WHMIS, NOHSC & 2001/58 EC Standards MSDS Revision Date: 09/15/2007 MSDS Revision: 1.0 6. ACCIDENTAL RELEASE MEASURES 6.1 Ventilate if in enclosed area. Secure spill area, remove or minimize all sources of ignition, and maximize ventilation. Wipe and rinse with water. Deny entry to all unprotected individuals. Individuals involved in the cleanup must wear appropriate personal protective equipment. 7. HANDLING & STORAGE INFORMATION 7.1 Wash hands thoroughly after using this product and before eating, drinking, or smoking. Remove soiled clothing to prevent prolonged skin contact. 7.2 Storage & Handling: Use and store in a cool, dry, well-ventilated area. Do not store near or with any incompatible materials listed in section 10. Open containers may change concentrations, keep tightly closed when not in use. Avoid temperatures greater than 110°F. Direct inhalation of vapor above recommended exposure limit may be harmful. Keep out of reach of children. 8. EXPOSURE CONTROLS & PERSONAL PROTECTION Ventilation & Engineering Controls: Use with adequate ventilation (e.g., open doors and windows, local exhaust ventilation). Local exhaust may be necessary to maintain exposures to within applicable limits. Ensure appropriate decontamination equipment is available (e.g., sink, safety shower, eye-wash station). 8.2 Respiratory Protection: None required, when used with adequate ventilation. Local exhaust ventilation or other engineering controls may be required to control airborne levels below the recommended exposure limits. A respiratory protection program that meets ANSI Z88.2 requirements must be followed whenever workplace conditions warrant a respirators use. Avoid breathing vapors. 8.3 If splashing is anticipated, splash goggles and a face-shield are recommended. Do not wear contact lenses. 8.4 Where contact is likely, gloves are recommended. Do not wear rings, watches, or jewelry that could entrap the material against the skin. 8.5 None required under normal use. Avoid prolonged contact with skin. 9.
